### NOTES FROM THE TEACHER

## IMPORTANT DATES & EVENTS TO REMEMBER

#### OCTOBER

December

Tues. Dec. 5<sup>th</sup> Christmas Program

Fri. Dec. 15<sup>th</sup> Christmas Party – minimum day

# Parent's Corner

Week of Nov. 6

Dear Parents

The attached calendar has the tentative assignments for this week. Lessons are due the day after they are assigned. Assignments given on a day before a test are due the day after the test.

On Thursdays that seventh graders have a test, a test review will be held from 7:45 am to 8:20 am in room B7.

It is very important that your child get into the habit of correcting all math tests (showing all their work) in order to receive extra credit and give them extra practice in doing the problems missed. Test corrections are due by Tuesday the week following the test.

Please continue reviewing multiplication facts with your child. This will not only benefit their multiplication skills but other math skills like division and working with fractions.

If you have any questions you are welcome to call me at school (in the mornings) or at home, until 9:00 PM (home phone: 223-0610).

Nancy Campbell
